

# Rules Of The Campsite

If you desire to stay at the campsite we ask that you respect the following rule

1. When you first arrive at the campsite you must check in at the reception, with your appropriate documents. When you have finished checking in, you will be given a personal check in card. This card is very important because you will need to use this for exiting and entering the campsite. Also the card can be used for paying bills at the reception, bar and mini market. The card is personal, therefore it is important that everyone who stays at the campsite has this card. The camping security can ask you to present this card at anytime.
2. If we find you to be inappropriate, we may refuse you entrance to the campsite.
3. The hours of the reception and other available services.  
Reception: From 8.00-12 and 14-22.00  
The Bar: From 07.30-24.00  
Mini-market: From 07.30-13.00  
Restaurant: From 17.00-23.00  
The hours can vary in July and August
4. The check in is possible from 14.00 to 22.00 and the check out is possible from 08.00 to 11.00.
5. When you first arrive, you may bring your car onto the campsite. But as soon as you have finished organising yourselves, we ask that you take your car to the camping parking. The parking is free and open from 07.00 until 24.00. We have a trolley available to bring your shopping, belongings etc...from the parking to the campsite, this is free to use. If you need to park in the campsite for any particular reason, we have a designated area for this but you will have to pay. This service is not included in the promotion ( ACSI card, Anwb, etc.)
6. From 24.00 to 08.00 is siesta ( time of relax). Therefore we ask you to respect this time.
7. The garbage, rubbish (glass, plastic, paper, organic and anything not recyclable) must be separated and placed in the appropriate containers, located in the camping.
8. The allowance of dogs or other animals can be rejected at the reception, if we find them to be unacceptable, we may reject. At all times dogs and other animals must be under control E.g Dog leads. The owners of the animals are held fully responsible. The toilet for the dog is outside the campsite and the campsite parking.
